Written by Hayley Cox -

Hi to everyone on this gorgeous Bank Holiday weekend. Anything Equine are certainly making the most of the lovely weather. Many of us here have been getting involved in fun rides and cross country! Be sure to keep your horses kitted out with all the necessary gear you'll need to make it a fun and safe summers riding. We can recommend

[Brushing boots](#)

,
[Travel protection](#)

and

[High Viz lightweight vests](#)

and

for all. We love our selection and we're sure you will too.
